## EXPERIENCE IN THE IT FIELDS

---

### Web Coordinator

Apr 2025 – Present

#### *BYTE 2025*

- Coordinated and led the web development team for BYTE 2025, working closely with the visual design and publication divisions.
- Developed a comprehensive event management system using Laravel and Vue.js, including secure authentication for both users and committee members.
- Played a key role in leading and shaping the UI/UX design process to ensure a user-friendly and visually consistent interface.

### Head of Blue Team

Mar 2025 – Present

#### *UMN Cybersecurity Communities*

- Designed and implemented the network topology for the community's cybersecurity lab, simulating real-world attack and defense environments.
- Configured secure wireless connections and ensured stable network segmentation for attacker and defender nodes.
- Installed and maintained various operating systems (Fedora, Kali Linux, Ubuntu, Windows) to support lab operations.
- Participated in Capture the Flag (CTF) competitions, focusing on defensive tactics and system hardening.
- Provided technical guidance and training for new members in system setup, blue team methodologies, and operational security.

### Fullstack Developer

Mar 2025 – Present

#### *UMN Festival 2025*

- Contributed to both frontend and backend development of the UMN Festival 2025 web platform.
- Developed dynamic user interfaces using React and Inertia.js for a seamless and responsive user experience.
- Collaborated on backend development using Laravel, focusing on routing, controller logic, and database integration.
- Worked closely with the design and content teams to ensure smooth integration of visuals and data workflows.

### Research and Development Member

Dec 2024 – Present

#### *HMIF UMN XV*

- Conducted research to support the planning and execution of key work programs.
- Served as Person in Charge (PIC) for company visits, actively reaching out to potential partner companies and managing communication.
- Assisted in preparing technical equipment such as mixers, projectors, and audio systems prior to internal meetings and events.
- Collaborated with fellow R&D members to evaluate and improve organizational initiatives through data-driven insights.

### Frontend Developer

Aug 2024 – Nov 2024

#### *Infinite 2024*

- Developed a responsive page website using React for Infinite 2024.
- Ensured clean code structure and component reusability for maintainability.
- Collaborated with the design team to implement UI elements according to event branding guidelines.

## EDUCATION

---

**Universitas Multimedia Nusantara**, Tangerang

Aug 2023 – Jun 2027

*Bachelor of Informatics Engineering*

GPA 3.76 of 4.00

**SMAS Cinta Kasih Tzu Chi**, Jakarta

Jul 2020 – Jun 2023

*Natural Sciences*

## LEADERSHIP ACTIVITIES

---

**Perkenalan Prodi Informatika 2025**

Jan 2025 – Aug 2025

*Head of Logistics*

- Led the logistics division for the Informatics Program Introduction event, attended by new incoming Informatics student.
- Managed procurement and distribution of logistics including consumption, merchandise, and sound systems.
- Coordinated with multiple departments to ensure on-time venue setup, equipment readiness, and smooth event execution.
- Monitored team progress, delegated responsibilities, and ensured alignment with overall event timeline and goals.

**Garuda Hacks 6.0**

May 2025 – July 2025

*Head of Logistics*

- Oversaw end-to-end logistics planning for a national-level hackathon event involving participants from various universities.
- Coordinated the setup of event areas including judge tables, demo zones, and rest areas for participants.
- Ensured availability of technical equipment such as routers, projectors, and backup power supplies.

## TECHNICAL SKILLS

---

- **Language & Framework:** JavaScript (React, Vue, Inertia), PHP (Laravel), SQL, Python.
- **Tools & Platform:** Linux (Fedora, Ubuntu, RHEL), Git, TailwindCSS, GSAP.
- **Networking & Security:** VLAN, Cisco ASA, FortiGate, Network Topology Design, Firewall Configuration.

## LANGUAGES

---

- Bahasa Indonesia (Native), English (Professional Working Proficiency), Mandarin (Elementary Proficiency).
